### What are we working on?

At the last den meeting the boys were told that after the Oct. 2<sup>nd</sup> meeting we will not work on the Bobcat in the den meetings. If your child has not achieved this you need to work on this at home, It needs to be completed as soon as possible since your son cannot receive any other badges until this has been accomplished.

Our Project for Achievement 5 is a bird feeder (shown below). We will be starting on this at the next meeting. We received a special price for the kits and we will pass the savings to you. \$5.00 will cover the cost of the project and any thing else we may need (in case it is not all there) to complete the Project. We would like to ask if there are any parents or grandparents that would like to help. We will not be painting until later. We will let you know what date the boys aren't to wear their uniforms at the meeting.

**Birdfeeder Project Kit**

Get busy building a birdfeeder for a gift to those birds that live near you. Your birdfeeder can be the best on the block!  
(Retail price \$19.99)

**Please work on Achievement 1 and Achievement 2-parts a and c. Please try to have these completed before the next meeting.**

On Sept 30<sup>th</sup> some members of the pack went to the National Boy Scouting Museum in Murray, Kentucky. It was a great day for the kids. They received two belt loops for the activities they participated in. If you have the time before November 30<sup>th</sup>, it would be a nice trip for the family. Our Cubmaster enjoyed the maze the most ( ha, ha, ha ).

Field Day is On Oct. 14<sup>th</sup> at Camp Carson in Princeton. The time is 1:00 p.m. to 5:00 p.m. The cost is \$5 per person (adults and siblings included). We have to have the money by Oct.9<sup>th</sup>. If you have any questions please call me at 729-6008.

## Do your best
